MEMORANDUM FOR: Legislative Counsel
FROM: Director of Central Intelligence
SUBJECT: Briefing of Proxmire Economic Committee

I'd like to get a fix on what date I am going to brief Proxmire and his Economic Committee. I'm really very nervous about this one and I keep asking but I don't get any response. If it is going to be in July, I've got to have the text in the next day or two if I am going to do anything with it. We've gone through a last-minute exercise in this for three years now and I don't want to do that again this year. (C/NF)
